## ABOUT ME

*I am a 2D animator and illustrator ready to work in a creative role. Whether in a team, or on my own, I love to create and often immerse myself in my work. With considerable experience of 2D animation, motion graphics and illustration using the Adobe Suite under my belt, I am always up for new challenges and keen to join an environment where I can learn from others and improve my art!*

## EXPERIENCE

### 2018 Volunteer design work for The Fire Fighter's Charity

- Worked on a wrapping paper design for a christmas fundraising event.

### 2020 Client work with Asian Fusion Grooming

- Created technical illustrations detailing dog hair growth and genetics.
- Designed templates of dogs for use in grooming studies.

### 2023 Volunteer illustration work for BookTrust

- Created an illustration and animation for use in social media campaigns.

## EDUCATION

### University of Hertfordshire, 2020-2023

- BA (Hons) 2D Digital Animation (1st)

### Queen Mary's College (A Levels), 2018-2020

- Graphic Design - A\*
- Fine Art - A
- Chemistry - A

## KEY SKILLS
